

## TN eCampus Student ID Information

**You are REQUIRED to present a valid student ID from your TBR institution before taking a proctored exam at Chattanooga State.**

1. If you enrolled in your TN eCampus class through Chattanooga State, you must present a valid Chattanooga State student ID, *even if you are also enrolled in another college, such as UTC or UTK.*

This can be either:

- a photo student ID that is issued on campus
- an online student ID (no photo) that is mailed to you, plus a driver's license.

For information on obtaining a Chattanooga State student ID, please call the Student Life office at 423-697-3276 or go to:

2. If you enrolled in your TN eCampus class through another TBR institution (e.g. MTSU), you must present one the following:
  - a. A current student ID from your TBR institution. If the student ID does not include a photo, you must also present a driver's license.
  - b. If your institution does not issue student IDs you may satisfy the requirement for a valid college/university ID by presenting an official printout of your current semester schedule, which must include your name, your college ID number, and the course(s) in which you are to be proctored. You must also present a driver's license.
