

READI is the Readiness for Education At a Distance Indicator. We encourage students to take the READI assessment to determine if learning at a distance is a good option to pursue. The survey will take about 20 to 30 minutes. When you complete the survey you will be provided a score and a report you may wish to keep for your own records.

Access READI

If you are a current student you can access **READI** from the **ChSCC Links** box on your eLearn Home Page.

If you are prospective student you can access **READI** from the Center for Distributed Education Home Page www.chattanoogastate.edu/cde

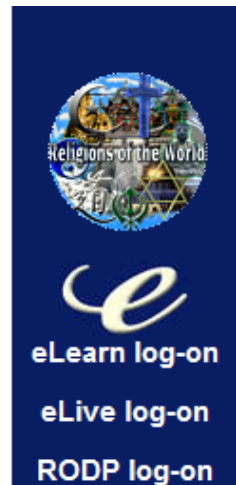

Center for Distributed Education
