RODP Facts Sheet

What is “RODP”? “RODP” stands for “Regents Online Degree Programs.” The universities, colleges, and technology centers of the Board of Regents System of Tennessee public education have combined resources to enable students to get certain degrees completely online. For more information, go here: www.rodp.org.

What are “RODP classes”? RODP classes are courses offered by all of the TBR institutions state-wide. These classes are delivered completely online. Find a list of all classes here: www.rodp.org/degrees/course_listings.htm. Click on the course title to see the syllabus.

How do I enroll in RODP classes? You enroll in RODP classes the same way you enroll in regular ChSCC classes. You must (1) be admitted to the college, (2) see an advisor, (3) register for RODP online classes along with any other ChSCC classes that you would like to take.

Is the registration deadline for RODP classes different? YES! RODP registration deadline comes sooner than the one for regular classes. Be sure to check the ChSCC calendar so you don’t miss the deadline to sign up for RODP classes.

Do I have to follow an RODP program of study to take RODP classes? NO. You can mix and match ChSCC traditional classes, hybrid classes, desktop video conferencing (DVC) classes, online classes, and RODP online classes interchangeably. Courses delivered in all of these methods will show up on your transcript simply as ChSCC courses.

Do RODP classes count the same as ChSCC classes? Yes. RODP classes have the same number, title, and content as ChSCC courses. They count the same as ChSCC classes.

Do RODP classes transfer? Yes. They transfer just as any other ChSCC courses would.

How do my RODP grades show on my transcript? They show up as your grades for having taken ChSCC classes. (If you were to take RODP classes through another institution, then the grades would show up as grades from that institution.)

What are “RODP programs of study”? These are programs that can be (but do not have to be) completed totally online. You can follow one of these programs and still mix and match ChSCC and RODP online classes, as you wish. If ChSCC is your home institution when you receive your RODP program degree, then you receive a ChSCC degree in that field.

Can I substitute RODP courses for ChSCC courses? In some most cases, yes, but not in all. Check here: RODP–ChSCC COURSE EQUIVALENCY CHART www.chattanoogastate.edu/ advisement/pdf/rodp.pdf

Do RODP online classes cost more than ChSCC online classes? Yes. There is a substantial per-credit-hour fee added to RODP classes. For more information, go to: www.rodp.org/enrolltoday/fees.htm.

Will my financial aid apply to RODP classes? Yes.

How do I get books? To find out what books you need for RODP classes, go to www.rodp bkstr.com. You may buy the books there, new or used. CAUTION: Often the books for RODP classes are not the same as the books listed for the same class at ChSCC. You should not go to the ChSCC Bookstore to get RODP books.

How do I enroll in RODP classes? Check the log in page at elearn.rodp.org for the date and time you can log in. Your username and password will not work until then.

Who is my advisor? Your advisor will be a full-time or adjunct instructor for one of the TBR institutions.

Who will be my instructor? Your instructor will be an expert in your major field who can guide you through your degree program. If you want to take a class online, you can check the ChSCC list for “N” section classes (ex: N01). If ChSCC does not list the course, look for an RODP R50 section. Your advisor can help you select the RODP course you need. If you have declared one of the programs listed on the RODP web site for a major, then you may be assigned to the RODP Campus Contact for advising.
